

Disability Services

Electronic Textbook Student Agreement

The Wichita Area Technical College’s Disability Services office will work with publishers to provide copies of electronic textbooks to student with Accommodation Plans that include this service. The student must first purchase a copy of the text and provide Disability Services with the receipt. Once the receipt is obtained Disability Services will obtain the PDF files (electronic text) , which are cross-platform, can be displayed, enlarged on screen, or read aloud. Also, the text can be extracted and moved into a word-processing program.

Each electronic textbook will be used ONLY by this particular student for one semester; will not be made available to other students; will be safeguarded from unauthorized copying. In addition, all electronic copies will be returned to the Wichita Area Technical College’s Disability Services office upon completion of the course.
