Incomplete Grade Contract

An incomplete “I” grade is given only when a course cannot be completed because of illness or other special conditions beyond the control of the student. Students who are unable to complete courses should contact their instructor regarding incomplete grades. At the instructor’s discretion, students may be granted an extension of time to complete assigned work if they are in good standing (have been making a passing grade) and enter into a contract with the instructor indicating what work must be completed and the time frame for completion. If granted, students receive an incomplete letter grade for the course, which is recorded as an “I” on the grade report and transcript. **IMPORTANT:** Check with the Dean/Director before initiating an incomplete grade contract.

**INSTRUCTORS:** All work for incomplete courses must be satisfactorily completed within **eight** calendar weeks. This form must be submitted to the Dean/Director for validation. The Dean/Director then submits the validated documentation to the Registrar. Once the work is complete or deadline has passed, the instructor must submit an updated copy of the contract with final grade. The “I” becomes an “F” or “U” at the end of the eight-week period if a change is not requested.
