Ability to Benefit Students

Students beyond compulsory school attendance age, who have not earned a high school diploma or equivalent, are not committed to earning a high school diploma equivalent and have the ability to benefit from the occupational education offered by the institution can apply for admission to WATC under ability to benefit. Students who attended a home school or an international high school and have not successfully completed 15 or more hours of credit from an accredited institution with a 2.0 grade point average (GPA) or higher are required to apply for admission under ability to benefit.

All ability-to-benefit students applying as technical certificate or degree-seeking students must demonstrate the ability to academically benefit from college courses. Ability-to-benefit students must take and pass the approved tests and scores listed below. Specific programs may have additional testing requirements. Students who do not meet this minimum standard are referred to WATC's Adult Literacy and/or Academic Success courses for academic remediation. Students must demonstrate their improved abilities and resubmit for admission to WATC.

Ability to Benefit Approved COMPASS™ Tests and Scores

- Reading — 62
- Mathematics — 25
- Writing — 32

All 3 tests must be taken during the same test session.

Undocumented, Non-U.S. Citizens

Undocumented, non-U.S. citizens are eligible to apply for admission if they meet the following Kansas Board of Regents requirements:

- Provide documentation that they attended an accredited Kansas high school for three or more years *and* graduated from an accredited Kansas high school or obtained a GED diploma in Kansas.
- File an affidavit with WATC stating that they have filed an application to legalize their immigration status or filed for U.S. citizenship *or* that their parents have filed such an application.

Affidavits are available on WATC's Web site at www.watc.edu.

In addition to the above criteria, all international and non-U.S. citizens must fulfill all college and program requirements before admission is granted. Undocumented, non-U.S. citizens are not eligible for federal financial aid.

For additional information or to apply online, visit www.watc.edu
