Professional Judgment Request
Marital Status
2013-2014

Wichita Area Technical College’s (WATC) Financial Aid office recognizes that your marital status may change after filling out your Free Application For Student Aid (FAFSA). The financial aid director has the authority to take this change into consideration if they determine it provides benefit to the student. If you have had a marital status change since the filing of your current FAFSA application please submit this Professional Judgment Request along with the required documentation listed.

Submit this form with the required documentation to the WATC Financial Aid office. A review of your situation does not guarantee an adjustment in your aid eligibility. Failure to submit these documents promptly will delay processing of your financial aid.
