GRANT WRITER SERVICES for the Trade Adjustment Assistance Community College and Career Training (TAACCCT) grant program
Wichita Area Technical College

Introduction: Wichita Area Technical College is soliciting proposals from consultants experienced and qualified to provide Grant Writer Services and assist the College’s Grants Office in applying for the USDOL Trade Adjustment Assistance Community College and Career Training (TAACCCT) program grant due date to be announced.

Background: The U.S. Department of Labor (DOL or the Department) announced the availability of up to $500 million in grant funds to be awarded under the Trade Adjustment Assistance Community College and Career Training (TAACCCT) grant program. The primary intent of the TAACCCT grant program is to
meet the educational or career training needs of workers who have lost their jobs or are threatened with job loss as a result of foreign trade.

The DOL intends to fund multi-year grants to institutions for either developing new education or career training program strategies or for replicating existing evidence-based design, development, and/or delivery strategies for such programs. Through this grant, the DOL is helping to ensure that our nation’s institutions of higher education are able to help TAA-eligible workers and other adults succeed in acquiring the skills, degrees, and credentials needed for high-wage, high-skill employment while also meeting the needs of employers for skilled workers.

Wichita Area Technical College is taking the lead on a statewide consortium proposal that focuses on aviation and advanced manufacturing career pathway training. The project will seek to train TAA impacted individuals, dislocated workers, veterans, youth, and employed workers looking to advance their skills and career.

**Scope of Services:** The scope of services set forth in this Request For Proposals represents an outline of the services which Wichita Area Technical College anticipates the successful proposer to perform, and is presented for the primary purpose of allowing Wichita Area Technical College to compare proposals. The precise scope of services to be incorporated into the Professional Services Agreement shall be negotiated between Wichita Area Technical College and the successful Proposer.

**Project Objectives.** There are essentially three parts that Wichita Area Technical College is focusing on in relation to this contract:

- **b. Project Management** – Management of grant proposal development completed by facilitating consortium partner meetings, gather required information from consortium partners to fulfill all grant requirements defined in the SGA, (support letters, budget, budget narrative, and other required attachments), and meets agreed upon project deadlines.
- **c. Meeting required grant deadlines.**
  1. Full proposal review two weeks prior to grant submission deadline.
  2. Full grant proposal will be review by Wichita Area Technical College assigned proposal team.
  3. Final proposal that includes all required proposal documents will be submitted to the Wichita Area Technical College proposal team one week before grant submission deadline.
  4. Wichita Area Technical College will be responsible for submitting the full grant application documents electronically to the Department of Labor to meet grant submission deadline.

The College may award an Agreement on the basis of initial proposals received, without discussion; therefore, each initial proposal should contain the Proposer’s best terms from a cost and technical standpoint.

   B. The College shall be the sole judge of its own best interests, the proposals, and approval of the resulting contract. The College’s decisions will be final.

2. Non-Responsive Proposals
