- Complete and submit WATC application.**
 - The WATC application is available at all WATC locations and online at www.watc.edu/apply/
- Request that official transcripts be mailed to WATC**
 - High School transcripts: Applicants seeking admission to the Veterinary Technology program must provide official high school or GED transcript. **(Required for New and Returning Students beginning August 2015).**
 - College transcripts: Request official transcripts be sent from each institution from which coursework is to be transferred – transcripts must be from accredited institutions and only coursework with a grade of 2.0 or higher will be accepted. Any credits earned more than five years previously will have to be approved by the division dean – Admissions personnel will work with the program chair for approval. See WATC's Transfer of Credit policy in the catalog for additional information.
 - Official transcripts must be mailed or transferred electronically directly from the issuing institution and received by the Registrar prior to registration. Official transcripts must be in a sealed envelope upon receipt and may not be stamped "student copy." Transcripts must be mailed or delivered directly to:

Wichita Area Technical College • Registrar
4004 N Webb Road Bldg. 100 Wichita KS 67226

- Successfully complete the Accuplacer test (Required for Program Entry)**
 - Minimum required: Math 35, Reading 56, Sentence Structure 56
 - Assessments are available through Testing Services at NCAT and the Southside Center. No appointment is necessary. The last test will start no later than 1 hour and 15 minutes before closing. Visit <http://watc.edu/admissions/testing/> for testing hours and availability.
 - A photo ID is required to take the assessments. Results are valid for five years. Results are not given over the phone.
 - Complete the Free Application for Federal Student Aid (FAFSA).**
 - The FAFSA is available at all WATC centers or file online at www.fafsa.ed.gov. For assistance in completing the FAFSA, call or visit Financial Aid, WATC Main Campus.
 - WATC's code for the FAFSA is 005498.
 - General Education Course Work (required before acceptance):**
 - o Principles of Biology*, General Chemistry*, Interpersonal Communications, and Intermediate Algebra
- *Classes must be no older than 5 years at the time of acceptance. **General Education for program entry coursework is subject to change at WATC discretion.**
- Attend information session** Southside Center at 4501 E 47th St S.
Will be held in MAY
Bring a notebook and pen to the Information Session.

Continue on Back

Acceptance

When all above requirements are met, applicants are eligible for selection. Students are selected based on merit including but not limited to, grades from pre-requisites, Compass test scores, essay, and letters of recommendation.

- ❑ Upon *conditional* acceptance into the Veterinary Technology program, applicants must complete the following requirements:

Stand-By Status

Some students may be selected for stand-by status. This means an applicant may be accepted into the program when someone declines to attend or does not meet required deadlines. Stand-by applicants are accepted into the program up to and including the second day of classes. A letter is sent to applicants who are placed on stand-by status.

It is essential for students on stand-by status to have all financial aid, physical information, background check and drug screening completed, as this could be a determining factor for getting into the program on short notice.

Resubmitting Application

Applicants who are not accepted into a specific program are notified and must complete an Information Update. Test scores and transcripts are filed with the registrar, WATC Main Campus. Applicants must attend another information session.

- ❑ Contact Admissions, 316.677.9400, to verify that all requirements have been met.
