WATC Text Messaging and/or Email Messaging Opt-in / Opt-out Form

This form is intended to allow a person to opt in or out of WATC messaging. You may opt in or out at any time by completing this form.

NOTE: Opt-Out will not prevent WATC assigned email addresses from receiving WATC messages of any kind.

This checkbox must be checked and a signature signed to allow processing of the form.

☐ I realize this form affects the receiving of all important Emergency and General messaging notifications sent by Wichita Area Technical College. NOTE: OPT-OUT stops the ability for WATC administration to send text, voice messages and/or email messages to phones and email addresses, excluding WATC email addresses and WATC phone#’s.

Date: ___________ Signature: __________________________________________

Opt-in Opt-Out

☐ Personal Email address: __________________________
